Task: View and edit cliente, mascota or paseador

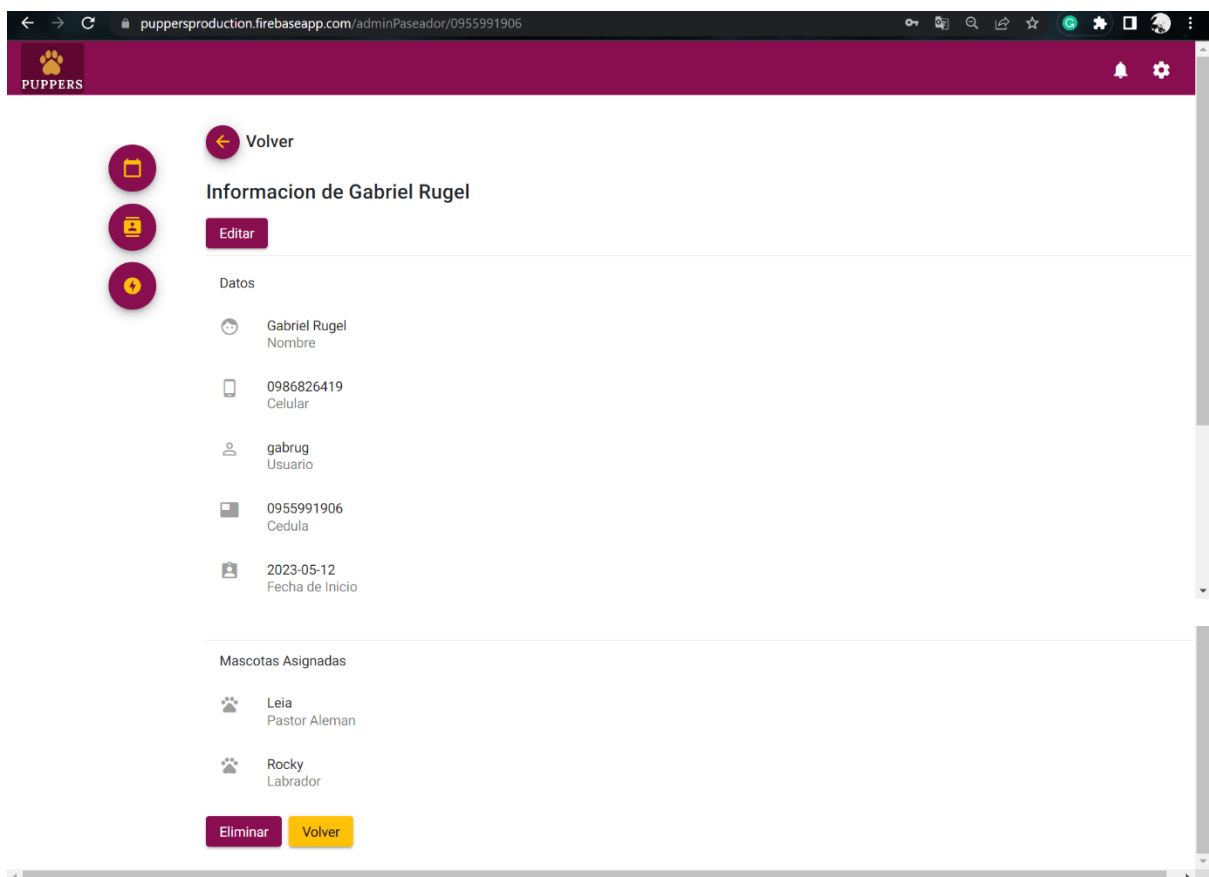

Step 1: Go to the admin manageboard (second icon on side navigation). The data visualization will allow you to add (plus button) a new Paseador, Cliente or Mascota.

The screenshot shows the PUPPERS admin manageboard. The URL is `puppersproduction.firebaseio.com/manageboard`. The page has a purple header with the PUPPERS logo and a side navigation menu with three icons. The main content area is titled "Paseadores" and contains a table with the following data:

Cedula	Nombre	Telefono	Fecha de Registro
0927364109	Dave Bone	0991635260	2023-06-27
0944184647	Kevin Andrade	0979304080	2021-05-11

0956710487	Anthony Torres	0963949730	2021-10-03

Step 2: Click on the arrow button and information regarding a Paseador, Cliente or Mascota will be shown. If an edit needs to be done, click the Editar button.

The screenshot shows the PUPPERS admin page for a specific Paseador. The URL is `puppersproduction.firebaseio.com/adminPaseador/0955991906`. The page has a purple header with the PUPPERS logo and a side navigation menu with three icons. The main content area is titled "Informacion de Gabriel Rugel" and contains the following information:

Datos

- Nombre:** Gabriel Rugel
- Celular:** 0986826419
- Usuario:** gabrug
- Cedula:** 0955991906
- Fecha de Inicio:** 2023-05-12

Mascotas Asignadas

- Leia:** Pastor Aleman
- Rocky:** Labrador

At the bottom, there are two buttons: "Eliminar" and "Volver".

A form will show up, and the administrator can edit fields that are not greyed out. On completion of the edits, click on Confirmar.

The screenshot shows a web browser window with the URL `puppersproduction.firebaseio.com/editMascota/1`. The page has a dark purple header with a 'Volver' button and a side navigation menu with three icons. The main content area is titled 'Editar Mascota: Leia' and contains a form with the following fields:

- Nombre de la mascota: Leia
- Raza de la mascota: Pastor Aleman
- Servicio: 5 Paseos
- Dueño de la mascota: María Cristina Lila
- Paseador de la mascota: Gabriel Rugel

At the bottom of the form are two buttons: 'Confirmar' (purple) and 'Cancelar' (yellow).

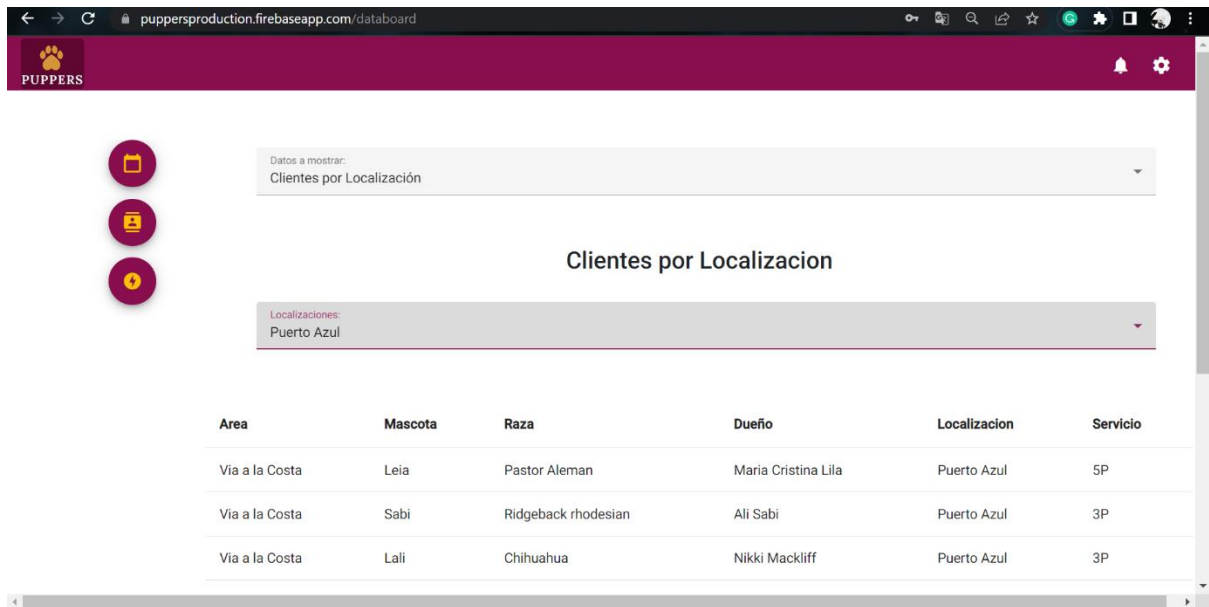

Task: Query Data from DataBoard

Step 1: Go to the admin databoard (third icon on side navigation). The list selection will allow you to request specific data regarding Cliente, Paseador or Mascota.

The screenshot shows the 'PUPPERS' application interface. The top header is dark purple with the 'PUPPERS' logo and a notification bell icon. The side navigation menu has three icons. The main content area shows a dropdown menu titled 'Datos a mostrar:' with the text 'Selecciona una opcion'. The dropdown list contains the following options:

- Selecciona una opcion (checked with a red checkmark)
- Clientes por Área
- Clientes por Localización
- Mascotas por Paseador
- Mascotas y Dueños

Step 2: Upon selection of the data needed, tables will appear with the information requested.

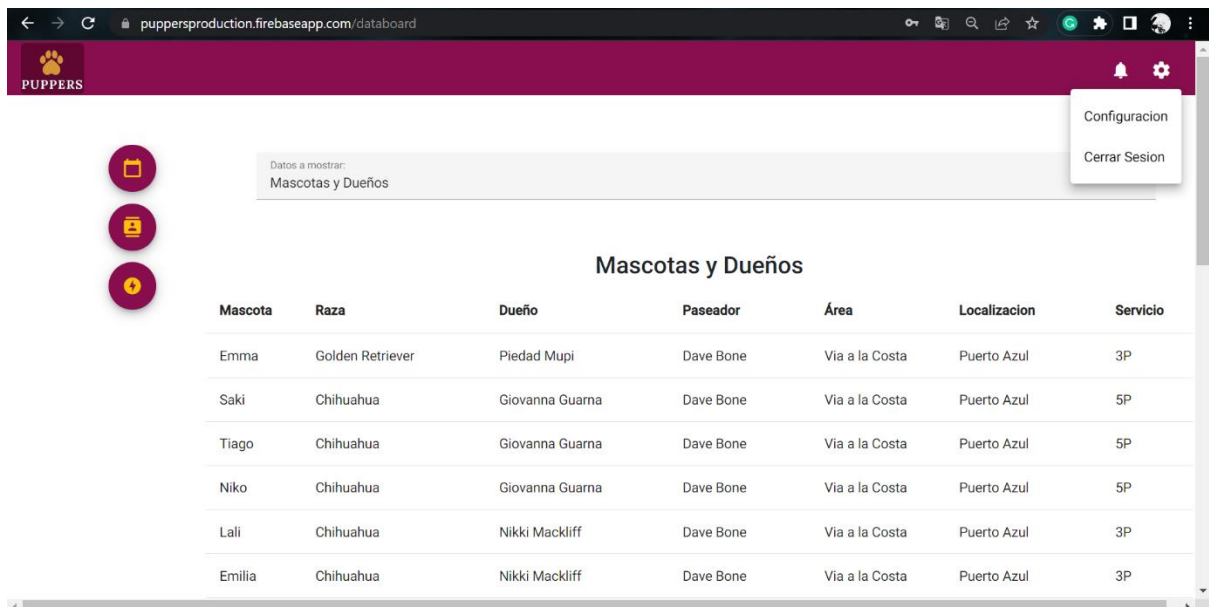

The screenshot shows the PUPPERS dashboard with a sidebar on the left containing three circular icons. The main content area has a header 'Clientes por Localización' and a dropdown menu for 'Localizaciones' set to 'Puerto Azul'. Below this is a table with the following data:

Area	Mascota	Raza	Dueño	Localizacion	Servicio
